CHAFING DISH SMART W

- Soft auto close glass lid
 - Water recycling
 - Lift tab for easy food pan removal
 - No hot spots
 - canned fuel or Smart induction.
 - The water pan has a clad (sandwiched layers) bottom eliminating hot spots and creating a stronger magnetic field, enabling the induction warmer to work efficiently
 - The easily removable lid is equipped with a dripless system which guarantees the outflow of condensation water inside the tank.
- The adjustable foot on the back increase stability
